| Item number:                                                                                                                                                         | AH-006049 |  |
| Packing unit:                                                                                                                                                        | 1000      |                                                                                     |
|   |           |                                                                                     |

## TECHNICAL CHARACTERISTICS

|                                  |              |
|----------------------------------|--------------|
| Wire section (mm <sup>2</sup> ): | 2.5          |
| Wire section (AWG/MCM):          | 14           |
| Length (mm):                     | 20           |
| Isolated:                        | No           |
| Material:                        | Copper       |
| Surface:                         | tin plated   |
| Max. temperature (°C):           | +105         |
| Standards:                       | DIN 46228 T1 |
| Manufacturer:                    | GLW GmbH     |

## DIMENSIONS

## DIMENSIONS

|          |      |
|----------|------|
| D1 (Ø):  | 3.4  |
| d1 (Ø):  | 2.2  |
| L2 (mm): | 20.0 |
