| <p>Item number: CPE-1</p> <p>Product weight (kg): 22.05 kg</p> <p>Packing unit: 1</p> |  |
|  | |

The 220V electric hydraulic pump CPE-1 operates with a single-phase motor and a maximum operating pressure of 700 bar. The pump is controlled via a hand-held remote control. By pressing a certain button on the pump at any time the pressure can be reduced. There is also a version for 110V available. Both versions have protection rating of IP55.
