

# Fast Charger ASC 290, 12-36V, "Air cooled"

Type ASC, 230V, 12 - 36V, 16A

Item number: ME-627376000

Packing unit: 1

- Charging in record time: The fast charger with the shortest charging times for all sliding seat battery packs across all voltage classes (12–36V)
  - Battery packs charge up to 8 times faster than with an entry-level charger
  - Clear display of charging progress
  - Fast, efficient charging of external devices via a USB-C cable (20 watts)
  - Standby power consumption approx. 85% lower than most other chargers
  - Global use: mains cable with plug connection, interchangeable with cables featuring other plug types
  - 3-year warranty on all Metabo battery packs and chargers, regardless of the number of charging cycles
  - Many brands, one battery system: charger for charging all battery packs from CAS brands: [www.cordless-alliance-system.com](http://www.cordless-alliance-system.com)
