

# Copper tube crimping lug 90°, V-Serie, 150mm<sup>2</sup>

Type T-L, for compacted stranded conductors according VDE 0295 (EN 60228) class 2

|                                                                                                                                                                                                                                                      |          |                                                                                     |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|-------------------------------------------------------------------------------------|
| Item number:                                                                                                                                                                                                                                         | T150-L12 |  |
| Packing unit:                                                                                                                                                                                                                                        | 10       |                                                                                     |
|    |          |                                                                                     |

## TECHNICAL CHARACTERISTICS

|                                             |                         |
|---------------------------------------------|-------------------------|
| Material:                                   | ETP copper (CW008A)     |
| Surface:                                    | Elektrolytically tinned |
| Wire section (mm <sup>2</sup> ):            | 150                     |
| Wire section thin wires (mm <sup>2</sup> ): | 150                     |
| Bolt (Ø):                                   | 12                      |
| Inspection hole:                            | Yes                     |
| Manufacturer:                               | Cembre S.p.A.           |

## DIMENSIONS

## DIMENSIONS

|          |      |
|----------|------|
| L1 (mm): | 58.0 |
| L2 (mm): | 16.0 |
| L3 (mm): | 18.0 |
| B1 (mm): | 30.0 |
| d1 (Ø):  | 16.2 |
| d2 (Ø):  | 12.8 |

## Note

· L1 = dimension indicative

· Each connector is marked as follows: Company logo and product description, conductor cross-section (mm<sup>2</sup>) and pin Ø (mm)
