

# Copper tube crimping lug, V-Serie, 35mm<sup>2</sup>

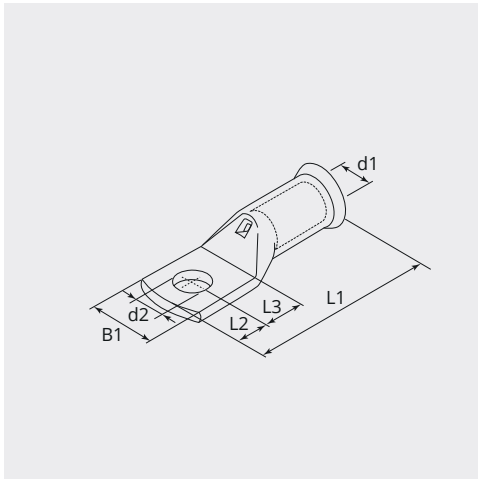

Type T-M, for compacted stranded conductors according VDE 0295 (EN 60228) class 2

|                                                                                                                                                                                                                                                      |           |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| Item number:                                                                                                                                                                                                                                         | T35-M6    |
| Product weight (kg):                                                                                                                                                                                                                                 | 0.0159 kg |
| Packing unit:                                                                                                                                                                                                                                        | 50        |
|    |           |
|                                                                                                                                                                   |           |

## TECHNICAL CHARACTERISTICS

|                                             |                         |
|---------------------------------------------|-------------------------|
| Material:                                   | ETP copper (CW008A)     |
| Surface:                                    | Elektrolytically tinned |
| Wire section (mm <sup>2</sup> ):            | 35                      |
| Wire section thin wires (mm <sup>2</sup> ): | 35                      |
| Bolt (Ø):                                   | 6                       |
| Inspection hole:                            | Yes                     |
| Manufacturer:                               | Cembre Group            |

## DIMENSIONS

## DIMENSIONS

|          |      |
|----------|------|
| L1 (mm): | 41.0 |
| L2 (mm): | 8.0  |
| L3 (mm): | 9.0  |
| B1 (mm): | 15.0 |
| d1 (Ø):  | 7.9  |
| d2 (Ø):  | 6.4  |

## NOTE

- Each connector is marked as follows: Company logo and product description, conductor cross-section (mm<sup>2</sup>) and pin Ø (mm)
