

# Copper tube crimping lug, V-Serie, 50mm<sup>2</sup>

Type T-M, for compacted stranded conductors according VDE 0295 (EN 60228) class 2

|                                                                                                                                                                                                                                                      |           |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| Item number:                                                                                                                                                                                                                                         | T50-M8    |
| Product weight (kg):                                                                                                                                                                                                                                 | 0.0242 kg |
| Packing unit:                                                                                                                                                                                                                                        | 25        |
|    |           |
|                                                                                                                                                                   |           |

## TECHNICAL CHARACTERISTICS

|                                             |                         |
|---------------------------------------------|-------------------------|
| Material:                                   | ETP copper (CW008A)     |
| Surface:                                    | Elektrolytically tinned |
| Wire section (mm <sup>2</sup> ):            | 50                      |
| Wire section thin wires (mm <sup>2</sup> ): | 50                      |
| Bolt (Ø):                                   | 8                       |
| Inspection hole:                            | Yes                     |
| Manufacturer:                               | Cembre Group            |

## DIMENSIONS

## DIMENSIONS

|          |      |
|----------|------|
| L1 (mm): | 50.5 |
| L2 (mm): | 10.0 |
| L3 (mm): | 11.0 |
| B1 (mm): | 18.0 |
| d1 (Ø):  | 9.2  |
| d2 (Ø):  | 8.3  |

## NOTE

- Each connector is marked as follows: Company logo and product description, conductor cross-section (mm<sup>2</sup>) and pin Ø (mm)
